Hillsborough United Church of Christ

Our Denomination

The United Church of Christ formed in 1957 with the merging of the Reformed, Evangelical, Congregational and Christian churches. The Hillsborough Congregation was accepted into the United Church of Christ in 1989 and constructed the present building in 1991.

Scripture focus of the congregation:

“And what does the Lord require of you but to do justice, and to love kindness and to walk humbly with your God?”
